Programme Director – Jonathan Cave

Jonathan helps executives, leaders and business owners master the art of “in-powerment” via a methodology he created for himself, and now disseminates to some of the most important leaders, companies and families in the world.

He had a successful career as a highly-trained Lawyer/Partner in a Multi-Family Office in Geneva, where for nearly 15 years he helped high and ultra-high-net-worth families grow their businesses and protect their fortunes. At age 40, he reoriented his career and trained in coaching, public speaking, and leadership.

As a Coach, Jonathan will help you to upskill mission critical areas like decision-making, core self-belief, public speaking, greater work-life balance, increasing your visibility and influence, amongst other areas. He also helps families forge strong bonds of trust and collaboration, create an inspiring vision and roadmap, and energise to keep focus and spirits high.

He delivers his services through highly experiential individual and group coaching journeys, as well as facilitating team and family off-sites and retreats.

Jonathan is married with two children. He loves rugby, tennis and travelling, as well as speaking at international conferences.
